Take a Kid Fishing!

The Shimano Take a Kid Fishing Day at Belwood Lake Conservation Area is designed to get new anglers involved in fishing and improve their skills. This event is designed for children from ages 8-14 and their parents.

Come out and visit the many educational stations where young anglers learn new skills and try their hand at fishing the stocked trout pond.

Kids will learn how to cast, rig lures, tie flies, identify various fish species and their habitats, and how to find and catch more fish. They will also get to see the latest fishing equipment and tackle in a safe, natural environment area.

The event is FREE for registered participants but park entry fees apply. (\$2.50 children & \$4.25 adults)

Please pre-register as there are limited spaces available.

Event Schedule

8:30-9:00 Morning Registration
9:00-12:00 Morning Session
12:00-1:00 BBQ Lunch
12:30-1:00 Afternoon Registration
