

# *2<sup>nd</sup> Annual Grand River Watershed Water Forum*

*Our Water* 💧 *Our Choice* 💧 *Our Future*

**September 20, 2002**

**8:45 a.m. - 4:00 p.m.**

**Grand River Conservation Authority, Administration Centre  
400 Clyde Road, Cambridge, Ontario**

## **Guidelines for Exhibitors**

### **for suppliers of water-related products and services:**

⇒ information about your products and services and the water management benefits and cost savings derived from using them

### **for manufacturing, agriculture, not-for-profit companies and affiliates;**

- ⇒ the types of activities your company has carried out with respect to water protection and management (such as ISO 14000, new technologies installed, changes in policies and procedures, etc.)
- ⇒ other ways your enterprise has supported improving water quality and decreasing water use
- ⇒ how your company has benefited from these changes

### **for consultants:**

- ⇒ information about new processes, technologies and approaches which improve water quality and decrease water use
- ⇒ information about the state of water and water trends in Ontario and in particular, the Grand River watershed

-----

Displays can be set-up starting at 7:30 a.m. and should be in place no later than 8:30 a.m. Displays should be dismantled at the conclusion of the program at about 4:15 p.m.
