DEC 16 2016

December 15, 2016

Ms. Nancy Davy
Director of Resource Management-
Grand River Conservation Authority
400 Clyde Road, P.O. Box 729
Cambridge, Ontario N1R 5W6

Ms. Pamela Duesling
Manager of Community Planning
Norfolk County Development & Cultural Services
185 Robinson Street, Suite 200
Simcoe, Ontario N3Y 5L6

Please find enclosed four copies of the Memorandum of Agreement for Plan Review Services Between The Corporation of Norfolk County and The Grand River Conservation Authority and The Long Point Region Conservation Authority, October 2016.

I apologize for the lateness of delivery. The preparation of the Schedule 4 Map has been a challenge and Pam has agreed now to have the Norfolk County staff prepare the map.

Nancy, could you please arrange to have the four copies signed at your end and send the signed copies to Pam Duesling at Norfolk County.

Pam, could you arrange to have the four copies signed, attach the Schedule 4 map and return one signed copy to Nancy Davy at the Grand River Conservation Authority and one copy to me.

Thanks everyone for all your work on this.

Yours truly

Lorrie Minshall, P.Eng.

Interim Watershed Services Manager
Long Point Region Conservation Authority
4 Elm Street
Tillsonburg, ON, N4G 0C4

A Member of the Conservation Ontario Network

MEMORANDUM OF UNDERSTANDING FOR PLAN REVIEW SERVICES BETWEEN

The Corporation of Norfolk County (herein referred to as the "County")

AND

The Grand River Conservation Authority
The Long Point Region Conservation Authority
(collectively herein referred to as the "Conservation Authority")

October 2016 Final

PREAMBLE

In 1996 municipalities were delegated Municipal Plan Review responsibility by the Province of Ontario. A Memorandum was entered into in 1998 between the Regional Municipality of Haldimand-Norfolk and its three constituent Conservation Authorities to coordinate responsibilities with respect to natural heritage and hazard land protection. In 2001 Conservation Ontario on behalf of all Conservation Authorities entered into a Memorandum of Understanding with the Province of Ontario to provide technical comments to the Upper and Lower Tier Municipalities with respect to Natural Hazards as outlined in the Provincial Policy Statement. This agreement is an update to the 1998 agreement and a reflection of the 2001 Memorandum of Understanding with the Province.

1. PURPOSE

The purpose of this Memorandum of Understanding is to update the January 15, 1998 Memorandum of Agreement between the County and Conservation Authorities for the provision of specified plan review and technical clearance services to the County.

2. ROLES AND RESPONSIBILITIES

a The County and the Conservation Authority mutually agree that:

- I. this Memorandum of Understanding applies to each of the Conservation Authorities referred to above and the area under each of their respective jurisdictions which is located within the County of Norfolk;
- II. the Conservation Authority has the expertise to provide the plan review and technical clearance services to the County identified in this Memorandum of Understanding and that the County is relying on said expertise. The parties acknowledge that the County remains the approval authority for those planning applications for which the County is so designated by statute and which authority has not been otherwise delegated by the County;
- III. nothing in this Memorandum of Understanding precludes the Conservation Authority from commenting to the County from a Conservation Authority perspective, as it normally would on an application circulated by the County under the Planning Act;
- IV. application types listed in Schedule 1 will still be circulated to the appropriate Conservation Authority for comment from the Conservation Authority perspective except as noted in Schedule 3;
- V. a protocol has been developed, included as Schedule 3, whereby the County will prescreen applications in order to further streamline the process;
- VI. this Memorandum of Understanding may be amended by mutual agreement, in writing, from time to time to reflect changes in the programs of parties to this Memorandum of Understanding, or as a result of changes in provincial policies, or as a result of subsequent discussions between the parties hereto;
- VII. all parties agree to periodically review this Memorandum of Understanding at 5 year intervals or earlier if a need to do so arises; and,
- VIII. any party to this Memorandum of Understanding may terminate the agreement, as it pertains to its involvement, at any time, in writing to the other parties to the agreement, with a minimum of 120 calendar days notice.

b The County commits to:

- I. circulate to the appropriate Conservation Authority those applications listed in Schedule 1 for comment as per the items in Schedule 2 and in accordance with a prescreening protocol included as Schedule 3;
- II. transfer appropriate policy statement, guidelines, manuals, maps, information, data and criteria from the County to the Conservation Authority, and transfer said material to the Conservation Authority as it is received from the Province of Ontario, or make arrangements to have said material transferred directly from the Province to the Conservation Authority
- III. retain consultants other than the Conservation Authority to provide the plan review and technical clearance services identified in this Memorandum of Understanding when in the opinion of the County, and where applicable, the County, or the Conservation Authority, utilizing the

Conservation Authority as specified in this agreement could result in a conflict of interest for the Conservation Authority or where otherwise agreed that it would be in the best interest of the planning process; and,

- IV. notify the applicant of the required Conservation Authority fee and attach payment to circulated applications when available.

c The Conservation Authority commits to:

- I. provide the County with those services listed in Schedule 2 at no cost to the County on a fee for service basis by the applicant
- II. provide its comments to the County on receipt of an application from the County or request an extension with reasons, for applications identified on Schedule 1 and within the specified County review timeframe, unless an alternative timeframe is agreed upon;
- III. comment on whether the application complies with the Provincially approved Norfolk County Official Plan in the plan review services it provides the County (as identified in Schedule 2);
- IV. participate in pre-consultation meetings for potential planning applications upon the request of the County;
- V. consider all relevant guidelines in the plan review and technical clearance services it provides the County;
- VI. not disseminate any data, maps, information or other documents either received directly from the Province or identified as "Provincial data" by the County, except as otherwise licensed or agreed upon by the licensing party/owner of the data;
- VII. not disseminate any data, maps, information or other documents either received directly from the County or identified as "County data" by the County, except as otherwise licensed or agreed upon by the licensing party/owner of the data;
- VIII. make provision for staff to attend Ontario Municipal Board Hearings or other proceedings, upon the request of the County, with respect to plan review and technical clearance services provided pursuant to this Memorandum of Agreement. The County will provide legal representation for the Conservation Authority at the OMB hearing at the cost of the County. Should the Conservation Authority attend the hearing for matters outside this Memorandum of Understanding, the Conservation Authority will be responsible for retaining and paying for their own legal representation.

3. TIME FRAME FOR IMPLEMENTATION

This Memorandum of Understanding will take effect on October 5, 2016.

The parties have duly executed this Memorandum of Understanding.

4. THE CORPORATION OF NORFOLK COUNTY

Christopher D. Baird, Ec.D., CMMIII
General Manager, Development & Cultural Services

Dated this 19th day of December, 2016

GRAND RIVER CONSERVATION AUTHORITY

Joe Farwell, Chief Administrative Officer

Dated this 19th day of DECEMBER, 2016

LONG POINT REGION CONSERVATION AUTHORITY

Cliff Evanitski, General Manager & Secretary Treasurer

Dated this 15 day of December, 2016

SCHEDULE 1

CIRCULATION STATUS BY APPLICATION TYPE AND DEFINITIONS

1. The County will circulate all applications for Subdivision and Condominium to the Conservation Authority.
2. The County will circulate the following types of development planning applications to the Conservation Authority for comment as per the items in Schedule 2 and in accordance with a prescreening protocol included in Schedule 3:
 - I. Consents;
 - II. Official Plan Amendments;
 - III. Zoning By-Law Amendments;
 - IV. Minor Variances; and
 - V. Site Plans.

SCHEDULE 2

Review Function Responsibilities

	Review Agencies			
	County		Conservation Authority	
Features/Functions	Plan Review	Technical Review	Plan Review	Technical Review
Significant Wildlife Habitat(I)	X (Lead)	X	X	
Threatened/Endangered Species (1)	X (Lead)	X	X	
ANSI(I)	X (Lead)	X	X	
Environmental Sensitive Area (ESA)	X(Lead)	X(Lead)		
Significant Woodlands	X (Lead)	X (Lead)	X	X
Significant Valleylands	X(Lead)	X(Lead)	X	X
Natural Heritage Systems	X(Lead)	X(Lead)	X	X
Water (2)(as it relates to Infrastructure)	X(Lead)	X(Lead)		
Water (2)(as it relates to Natural features)			X(Lead)	X(Lead)
Wetlands	X		X (Lead)	X(Lead)
Fish Habitat (3)	X (Lead)	X(Lead)	X	X
Flood Hazards			X (Lead)	X(Lead)
Erosion Hazards			X (Lead)	X(Lead)
Lakeshore Hazards			X (Lead)	X(Lead)
Sub-watershed Studies	X	X	X (Lead)	X(Lead)
Stormwater Management(4)(as it relates to Natural Heritage and Natural Hazards)	X		X(Lead)	X(Lead)
Stormwater Management (4)(as it relates to operations, aesthetics and outlet)	X(Lead)	X(lead)	X	
Hazardous Sites (5)			X(Lead)	X(Lead)

X - Indicates comments may be provided and that the party has an interest

(Lead)- indicates the party having the primary role for PPS, Official Plan or technical capacity

"Plan Review" - includes screening application to determine potential impacts, need for technical reports and mitigation measures, assist in development of terms of reference, specifying conditions of approval.

"Technical Review" - includes assessing technical reports submitted by the proponents' consultants in terms of applicable guidelines and standards.

Notes:

1. The Ministry of Natural Resources and Forestry is responsible for the implementation of the Endangered Species Act and for the mapping and designation of ANSI and Significant Wildlife Habitat. However the County has a responsibility for the protection of these areas under the Provincial Policy Statement.
2. Review of Water Policies as they relate to infrastructure needs of the municipality versus actions required to maintain the ecological system and management objectives.
3. Review of Fish Habitat is provided in consideration of the Provincial Policy Statement and does not provide clearance on the required statues or legislation from either the Ministry of Natural Resources and Forestry or Department of Fisheries and Oceans.
4. Stormwater Management is a shared responsibility with the County. The County is responsible for location, aesthetics, legal outlet and engineering design. The Conservation Authority would be responsible for the review of function and potential impacts on Natural Heritage and Natural Hazards that may be impacted.
5. Hazardous sites mean property or lands that could be unsafe for development and site alteration due to naturally occurring hazards. These may include unstable soils (organic soils) or unstable bedrock (karst topography).

SCHEDULE 3
Screening Protocol

PRESCREENING CRITERIA GRAND RIVER AND LONG POINT REGION WATERSHEDS

Process

When a landowner discusses or submits a Planning Act application, municipal staff will review Official Plan Schedules and Ontario Regulation 150/06 (GRCA), 178/06 (LPRCA), mapping to determine whether the lands are within an area of interest to the conservation authority. If the site or land holdings are within an area of interest to the Conservation Authority, the municipal staff will advise the applicant of the appropriate fee for submission with the application (cheque to be made out to applicable Conservation Authority). The County will circulate all applications for subdivision and condominium to the Conservation Authority.

- GRCA: For further information please contact the GRCA, Resource Planning Section at (519) 621-2763 ext. 2237.
- LPRCA: For further information please contact the LPRCA, Watershed Services Section at (519) 842-4242

The following questions are to be applied to all applications identified in Schedule 1. For consent applications, please apply the questions to both the severed and retained parcels (note in some circumstances applications for consent will not be circulated to the Conservation Authority if there are natural areas on the retained lands well removed from the proposed severed parcel). If the answer to any of the following questions is "YES", County staff will circulate the application to the applicable Conservation Authority for review. Watershed mapping to determine applicable Conservation Authority is included as Schedule 4.

NORFOLK COUNTY OFFICIAL PLAN

1. Are there lands on the property that are identified in the Official Plan as "Core Natural Environment Area" or "Natural Environment Area"

Yes

No

2. Is there a watercourse (creek, stream and/or river) and/or river valley slope on the property, or is the property located within 30m of the top of the bank of a slope?

Yes

No

Regulation 150/06 (GRCA) and 178/06 (LPRCA)

3. Is the property located within the Regulated Area shown on the mapping for Reg. 150/06 or 178/06?

Yes

No

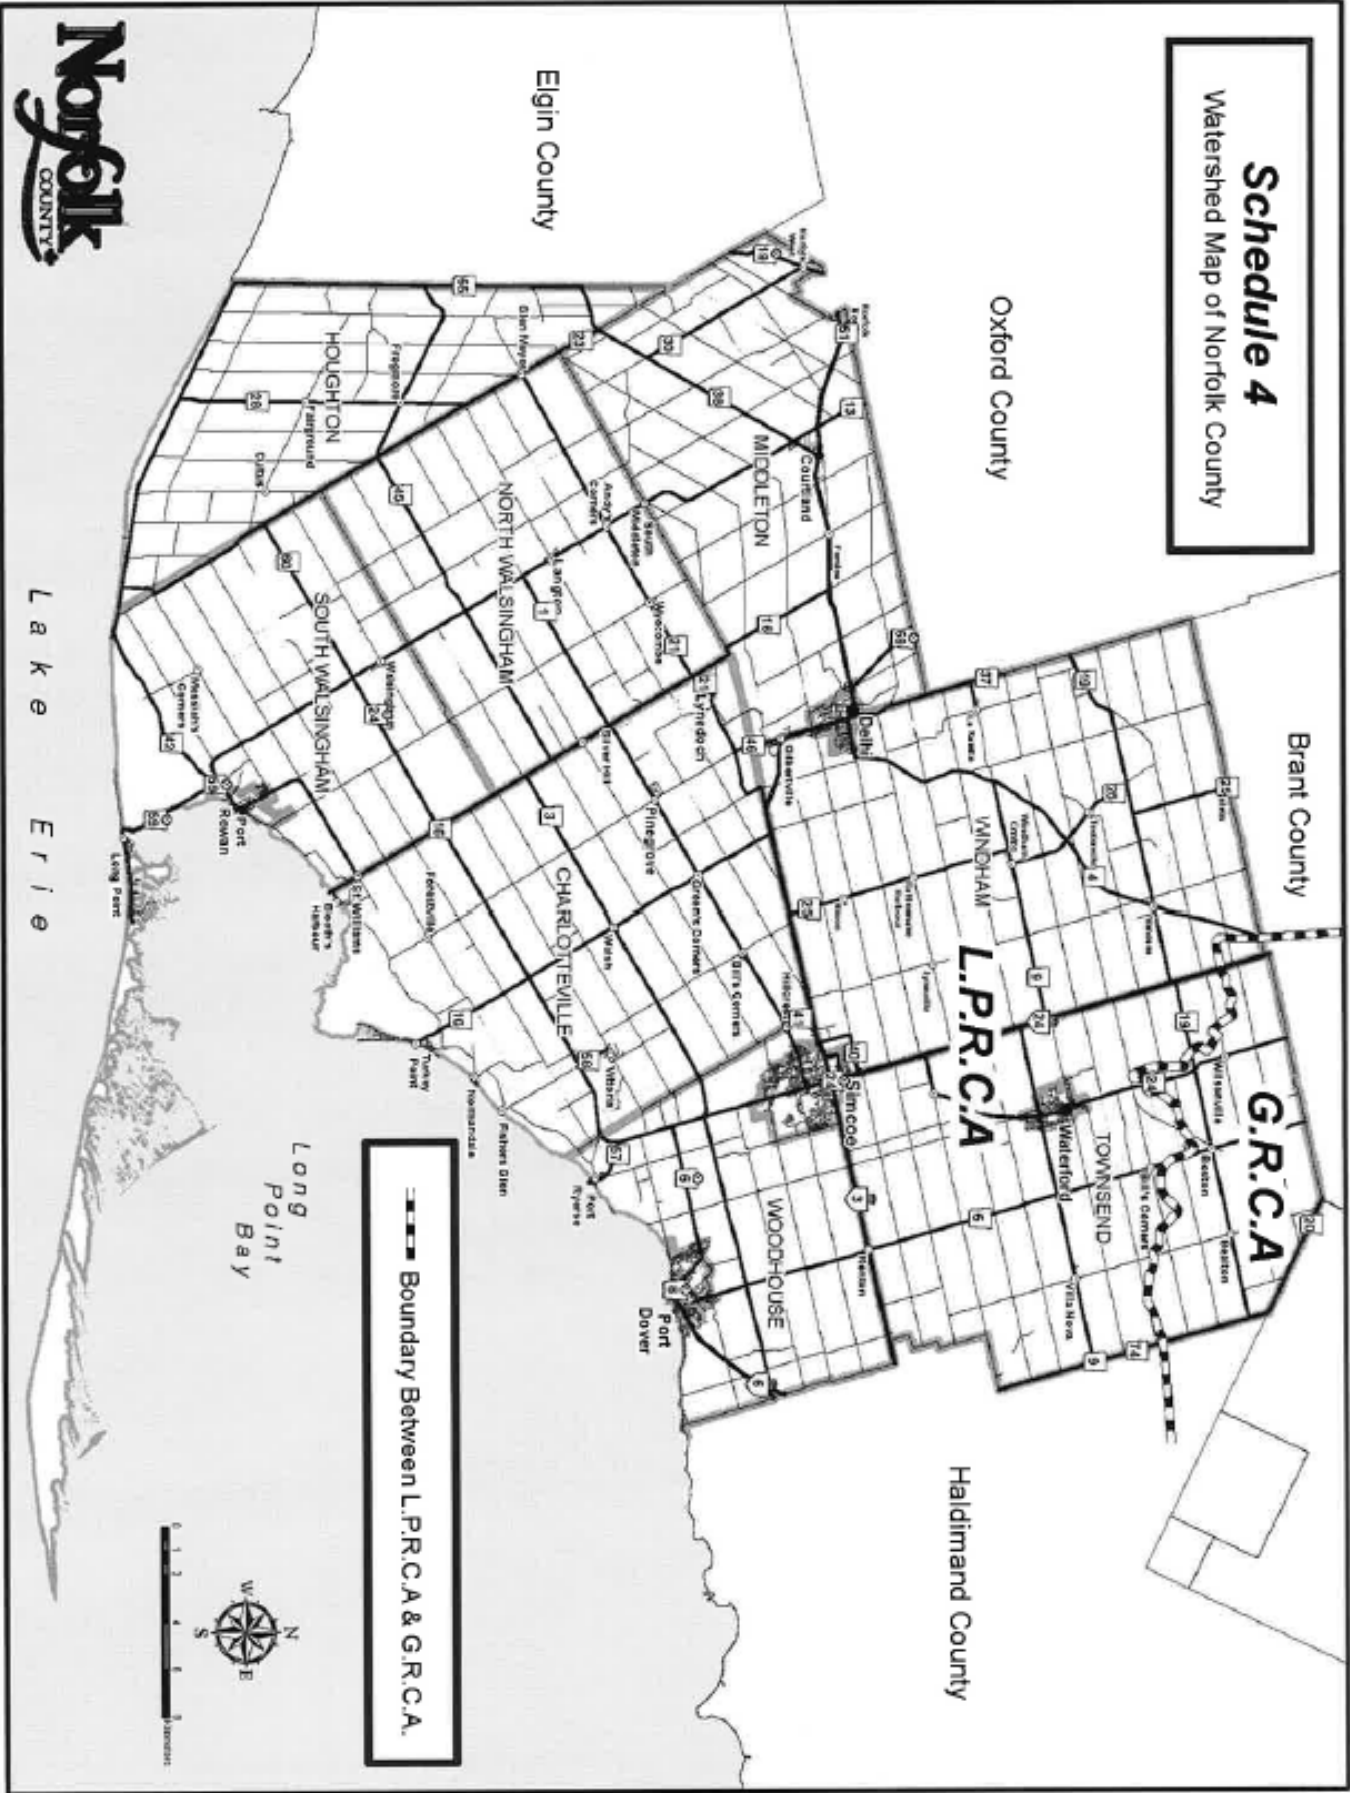

4. Is the proposal within 15 metres (50 feet) of a watercourse?

Yes

No

- 1 If the application is not located in or adjacent to these features there is no need to be circulated.
2. Subsequent Planning Act applications that have been reviewed in the previous 2 years and are the same as previously approved do not need to be circulated.
3. Minor variances not related to natural hazard/natural heritage features do not need to be circulated.
