About the park

Brant Conservation Area is nestled in a bend on the Grand River amid the historic communities of Brantford and the County of Brant. It is a great place to spend a weekend camping, or an afternoon enjoying sun and fun at our 1.25 acre swimming pool.

Anglers can try the waters surrounding the park, or make the short trip to Whitemans Creek. Hikers and bikers can travel the many pathways through the park or pick up the S.C. Johnson Rail Trail, which links Paris and Brantford. Many canoeists stop, or stay overnight, when making a trip down the Grand River.

Our staff is here to make your visit as enjoyable as possible. Should you have questions, please do not hesitate to contact us.

Anglers can cast a line in the Grand River which surrounds the park.

Camping, fishing, hiking or boating, our parks are as close as your own backyard.

Join us at one of 11 Grand River Parks. From quiet solitude to the delight of a family camping vacation, our parks showcase the best the area has to offer.

Brant Conservation Area is open between May and October from 8 a.m. until sunset, or camp with us overnight. For more information including fees, park amenities or to reserve equipment or group facilities, please ask at the gatehouse, call the park, or visit www.grandriver.ca/parks.
