Conservation Area Regulations and Guidelines

Our conservation areas are special places where people can connect with the outdoors. As well, many of these areas have important natural heritage features. Because conservation areas are unique places, they require unique rules to protect them and their visitors alike.

Noise, Conduct and Safety

- Quiet hours are in effect from 11:00 p.m. to 7:00 a.m. daily. Excessive noise at any time is not permitted. Please note that audio devices may not be used in radio-free areas at any time.

- Fireworks and open fires are not permitted.
- Firearms including air, spring, archery or slingshot equipment are not permitted.
- Be aware of your surroundings and monitor the weather. Seek appropriate shelter during severe weather.

Vehicles, ATVs, Drones, etc.

- Motorized vehicles are permitted on designated roadways only. Drivers must obey the laws of the Highway Traffic Act.
- The vehicle speed limit is 25 km/h, unless otherwise posted.
- The use of ATVs, golf carts, dirt bikes and snowmobiles is not permitted.
- Drones are not permitted.
- Bicycles are not permitted on trails, unless otherwise posted.

Dogs

- Dogs must be secured on leashes no longer than 2 metres in length at all times.

- Dogs are not permitted in designated swimming areas, including the sandy areas of beaches or pools.

Should you have any questions about conservation area rules and guidelines, please ask conservation area staff.
