Seasonal Bargaining Unit Position

Park Operations Tech. – Byng Island CA

Who we are

The Grand River Conservation Authority (GRCA) has an international reputation for excellence in managing the natural resources of the largest inland river system in southern Ontario. Our team is made up of committed and passionate experts in their fields, including scientists, engineers, researchers, educators, stewards, planners, foresters, recreation experts and much more. Every day, we come to work to improve the health of the natural environment of the Grand River watershed for those who call it home or come to visit. We are a progressive team, dedicated to lifelong learning, collaboration and making a positive impact.

Who you are

You want to be part of an organization with an environmental goal. You want the work you do to make a difference. You like a team environment where everyone has an opportunity to contribute to achieve a shared goal, no matter their background or level of education and experience. You like problem solving, expanding your horizons and making even the smallest positive impact for your community and the planet.

Why work for us

Our team feels a connection to their work, to each other and to the community we serve. We offer staff development plans and open doors to help advance your career. And our employees benefit from being part of the Ontario Municipal Employees Retirement System (OMERS), with 100% matching contributions from GRCA.
